GENTS' summer wear at Barton & Co.'s. . GET your lunch at the Saddle Rock to-day *

home-made tweed, go to John C. Cutler & Bro., No. 56 Main street.

self by poisoning the pet cats and dogs of his neighbors is Hunt, and not Hunter, as at first RAILROAD and other circles were alert yes terday, for it was reported that Jay Gould would arrive in Salt Lake; but, as before when he was expected, the money magnate disap!

pointed us all. THE demand for russet shoes still continues. Spencer & Lynch have made a still greater reduction in their stock of these popular goods in order to clear out their entire stock.

ALL parties who do not receive their city tax potices at their address, can get same by asking at the postoffice for city tax notice in name of person who holds deed to the property. E.

of the Union Pacific was derailed and thrown on its side just as it was entering the yards yes-terday. Both the engineer and fireman were on the engine, but escaped unhurt.

ALTHOUGH it is well known that that report of the star chamber committee on police has hotel. been ready for publication for some time, yet it is not furthcoming. The inquisitors might as well come to the scratch now as to protract No. 149 West North Temple

THREE of a kind again early this morning There was a hold-up in Commercial street, one near the low corner opposite the Dooly block, and another on the corner of Fourth South and Main. In neither case did the foot-pads obtain much plunder.

A VEHY pleasant birthday party was given in honor of Mr. J. F. Norton's eighteenth birth day, at his residence, No. 849 Eust, Second South street. The young people assembled were admirably entertained, and the evening passed very pleasantly.

THE Workingmen's Co-operative store, which has for many years stood on the corner of First South and Third West streets, was moved yesterday north of the old stand. The new buildmy is much larger and lighter and better adapted to the firm's need.

THE HEBALD dispatched on Monday a special correspondent to the scene of the latest mining excitement at La Plata, near Ogden. Since the lever is appending even to Salt Lake and other points it will be well to await authentic news before catching the contagion. OBSERVER SALISBURY'S report for yester

day's temperature is as follows: At 5:33 a.m .-Salt Lake city, 63; Lander, 60; Custer Station, (6); Helena, — At 11:55 a.m.—Salt Lake, 70;
 Ogden, 75; Bingham, 69; Logan, 67; Park City,
 (6); Provo, 67; Alta, 69; Stockton, 67. REV. J. BRAINERD THRALL and Mr. Gorman

taken in refused to press the case.

the Union Pacific and Utah & Newada depots was suspended last night, and Albright is now trying to guess the cause. The Herald can formish the solution. It is found in the fact that Albright's name was attached to the charges against the heads of the police depart.

THE HERALD. In the bequestness, the Wasonic and Odd Fellows funds for widows and orphans, \$1,000 to the hospital and \$5,000 to the hospital and \$5,000 to and orphans, \$1,000 to the hospital and \$5,000 to to be devoted to charity, as may be decided

WE have had rain for two or three days mud has accumulated and the method of scraping up the streets, which was adopted by the wise Liberal party, is again being pursued.
Early this summer some portions of Second South street, between State street and West

South street, between State street and West South arrest, powers grant stressing of new feepile, were treated to a dressing of new boulders, gravel and clay. This new dressing is now being scraped up to be hauled away, and the presumption is that the holes thus made GET your lunch at the Saddle Rock to-day * will be filled up again with the like material—boulders, gravel and clay—so the incompetence of the street department is developed.

Garneld Beach last evening.

Send for copy of rules and regulations.

So rapidly pushing Utah to the front, her railroads must be reckoned as the first, and at the head of the several systems may be placed that wonderful outgrowth of mountain the stock raising, and all industries taken will close at low figures. Mme. It took scarcely a season for it to span the wastes lying between us and our neighbors cause the mountains to yield their long hidden treasures. wastes lying between us and our neighbors on the east with its narrow band of iron, and but a day to be transformed into a regulation gauge fully equipped for service. Not content with its Colorado connection, this road soon began to improve on the experiences of its neighbors, and extend feeders along the line of the settlements. Without much-a-do it has thrown out a vast steel arm directly into the great valleys of Sanpete and Sevier, and is rapidly pushing for the rich mining regions about Marysvale, away to the southward, until pushing for the rich mining regions about Marysvale, away to the southward, until now it embraces in its course five of the great counties of our territory, each of which is almost an empire in extent.

From the railway junction city north of us to the metropolis, thence on through the well-known points of Lehi, Prove, Amerwell-known points of Lehi, Prove, Amerwell-known

ANW INVESTENT AND LOAN COMthere are against the heads of the place o

given to follow the band, the musicians did not lead the hungry horde, and no attempt at keeping step or preserving military order was made. The city surrendered in detail, and around public and private boards the guests were made welcome, and none had cause to go hungry. The recent occurrendered is a heavy water-spout which had filled the streets and private grounds with debris of every description, caused the town to present a very undressed appearance, and the demand for an energetic street commissioner was apparent at every turn.

The interval allotted was occupied by the visitors in viewing the city and suburbs, the temple on the terraced hill, the old hall of justice, the orchards, the new city waterworks, all proved of interest, while

The Committee Still at Work Examing the School Building Plans-General Business News-

of justice, the orchards, the new city waterworks, all proved of interest, while the massed bands—fifty strong—paraded the streets and were greeted with cheers from the assembled populace.

The whistle of the iron horse call hands on board, and soon they were whirling through Sterling, Gunnison and Willow Creek. The heavy and attractiveness of The brokers returned from the Salina excursion to the stock-pit a little heavy Creek. The beauty and attractiveness of the Sevier valley were rapidly unfolded, and long before weariness marked the faces of any the boom of guns and sound of martial music told them they were at about the eyelids yesterday, but were able to sight a good bargain when it offered itself for their distinguished consideration. Jake Bamberger continued to put his

faith in the future of Apex by purchasing where hundreds of her people were awaiting to greet the guests. The welcome was cordial, the whole populace doing the strangers bonor—the fruits of the orchard and garden, the grain of the field, the flowers from the private homes, all contributed to interest and instruct, while the milnorals from the mountains and the curious specimens astonished the most increduler.
